

HIGHLAND RECORDER.

Terms, \$1.00 a Year in Advance.

Issued every Friday morning by
W. H. MACKENZIE,
EDITOR AND PUBLISHER.

Entered at the Monterey postoffice as
second class matter.

Monterey, Va., Friday, Jan. 12, 1899.

The United States government is thinking of sending two or three of our war ships to South African waters. Uncle Sam, you will get your eye teeth out one of these fine days.

According to President McKinley, the United States is at peace with all the nations of the earth. Yet the Secretary of the Treasury wants \$150,000,000 for the army, more than Great Britain spends in ordinary times.

The Tagalog guerrillas are now reported to have evaded the troops who were chasing them and to have mustered in large numbers within ten miles of Manila. Otis accordingly reports that the war is nearly over.

The Roberts investigation is on its last legs. Ex-Secretary Carlisle has begun his argument against Roberts and when he closes, which he is expected to do about the middle of the week, Roberts will be allowed to supplement the argument he has already made by replying. After that, the report will soon follow. Roberts is doomed. He never had a chance, but if he had, he would have spoiled it himself by his own talk.

Having a Great Run on Chamberlain's Cough Remedy.

Manager Martin, of the Pierson drug store, informs us that he is having a great run on Chamberlain's Cough Remedy. He sells five bottles of that medicine to one of another kind, and it great satisfaction. In these days of a gripple there is nothing like Chamberlain's Cough Remedy to stop the cough, heal up the sore throat and lungs and give relief within a very short time. The sales are growing, and all who try it are pleased with its prompt action.—South Chicago Daily Calumet. For sale by John A. Whitelaw, Monterey. H. E. Colaw, Crabbottom. J. M. Jones, Doe Hill. S. C. Slaven, Meadow Dale.

I am indebted to One Minute Cough Cure for my health and life. It cured me of lung trouble following gripple. Thousands owe their lives to the prompt action of this never failing remedy. It cures coughs, colds, croup, bronchitis, pneumonia, gripple and throat and lung troubles. Its early use prevents consumption. It is the only harmless remedy that gives immediate result. Trimble and Lunsford.

Bath County News.

Cleeks Mill, Va., Jan. 6, 1900.—1900 is really here bringing with it, as any common year, its joys and sorrows, hopes and dismay. While every one else is wishing you a happy New Year, we will add, may it be also prosperous.

We had the recipe all right for a Merry Christmas, but the one traditional ingredient that was lost some where down the centuries is lost still, consequently Christmas was a failure (more or less). We may as well have lived in the Klondike regions, for all the warmth and cheer, in other words the lost ingredient is still absent.

Miss Maggie Lindsay is spending some time with her brother at Sunrise. It is "a pity and all." That she could not have postponed her visit until the holidays were over, for it seems as if half the country is gone. When she returns she will doubtless bring sunshine in her face, and perhaps accompanied by some of the residents of Sunrise.

Only one topic of interest the weather zero and Hicks. We had one zero day which lent a chill to many days that followed, increasing a desire for the warm breeze and sunny southern skies.

They had quite a jolly Christmas at Burnsville including a box supper, and a Christmas tree.

We missed our Recorder last week, and while we regret its non appearance we rejoice that the Editor had one week's rest in which to draw a free breath before another year's work.

I want to let the people who suffer from rheumatism and sciatica know that Chamberlain's Pain Balm relieved after a number of other medicines and a doctor had failed. It is the best liniment I have ever known of.—J. A. Dodgen, Alpharetta, Ga. Thousands have been cured of rheumatism by this remedy. One application relieves the pain. For sale by John A. Whitelaw, Monterey. H. E. Colaw, Crabbottom. J. M. Jones, Doe Hill. S. C. Slaven, Meadow Dale.

ASK YOUR DOCTOR!

Ask your physician this question, "What is the one great remedy for consumption?" He will answer, "Cod-liver oil." Nine out of ten will answer the same way.

Yet when persons have consumption they loathe all fatty foods, yet fat is necessary for their recovery and they cannot take plain cod-liver oil. The plain oil disturbs the stomach and takes away the appetite. The disagreeable fishy odor and taste make it almost unendurable. What is to be done? This question was answered when we first made

SCOTT'S EMULSION

of Cod-Liver Oil with Hypophosphites. Although that was nearly twenty-five years ago, yet it stands alone today the one great remedy for all affections of the throat and lungs.

The bad taste and odor have been taken away, the oil itself has been partly digested, and the most sensitive stomach objects to it rarely. Not one in ten can take and digest the plain oil. Nine out of ten can take SCOTT'S EMULSION and digest it. That's why it cures so many cases of early consumption. Even in advanced cases it brings comfort and greatly prolongs life.
